Answer

THE MINISTER OF STATE IN THE MINISTRY OF SHIPPING, ROAD TRANSPORT AND HIGHWAYS (SHRI. K.H. MUNIYAPPA)

(a) The fund allocated for maintenance and upgradation of National Highways during the financial year 2004-05 and 2005-06 is as under:

	2004-05 (Rs in crores)	2005-06 (Rs in crores)
Upgradation of National Highways	6958.70	10257.34
Maintenance	745.56	769.14

(b) The funds for development and maintenance of National Highways are allocated state-wise and not National Highways-wise. A statement indicating State-wise allocation and utilization of funds for development and maintenance of NationalHighway during the financial year 2004-2005 and 2005-06 is enclosed as Annexure-I.

(c) & (d) The funds for upgradation and maintenance of National Highways to the states including Uttaranchal are provided according to the availability of fund, inter se priority of works and lengths of National Highways. Accordingly the fund provided to Uttaranchal is not inadequate.

(e) to (g) The details of proposals for declaration of State roads as National Highways received from various State Governmentsincluding Karnataka are at Annexure-II. In February, 2004, Government had declared 7457 kms of State roads as National Highways. At present, emphasis is being given at present for development of existing National Highways instead of declaring more roads as National Highways. All State Governments were informed accordingly.

The details of pending proposals with the Government as received from various States including that of Karnataka for repair / development of existing National Highways are at Annexure-III. Repair and development of National Highways is a continuous process and the same are being done as per availability of funds and inter-se priority of works.
